AGENDA- 4

CD Ratio and Review of Districts with CD Ratio below 40%:

CD Ratio of the State stood at 60.21% as on 31.03.2020 whereas it was 61.95 % on 31.12.2019. For calculation of CD Ratio of the State as on 31st march, 2020, the RBI guidelines is followed which is furnished below:

(Amt. Rs. in crore)

Total Deposit (A)	839812
Total Advance utilized in the State (B=C+D)	491512
Out of which outstanding of credit sanctioned from the State (C)	465134
Credit sanctioned from outside State but utilized in West Bengal (D)	26378
RIDF Support (E)	14168
Total Advance to be reckoned (F=B+E)	505680
CD Ratio (F*100 / A)	60.21%

The decline in CD Ratio is in line with the trend as observed on national basis where the CD Ratio has come down from the high of 78.20 % on 31-03-2019 to 75.70% as on 24-03-2020. In West Bengal the reduction on YOY basis was from 64.57% on March, 2019 to 60.21% on March, 2020.

The decline in CD Ratio has been attributed due to ripple effects of Demonetization, GST with major economic slowdown in the last half of the FY 2019-20 accompanied by lower industrial outputs, slowing consumption. The decline in the corporate loan take-off in the aftermath of the issues concerning NBFCs has also hindered the growth of credit. But it was the crippling effect of the COVID 19 pandemic and the Lockdown put in place from mid-March, 20 that had a crippling effect on credit growth which is generally witnessed in the March quarter.

With GDP growth falling to 3.1% during March, 20 quarter & GDP growth at 11 year low of 4.2% in FY 2019-20 and projected to remain so in the coming quarter or so due to COVID 19 pandemic related issues, the banks will remain under pressure so far credit off-take is concerned. However, with the 20 lakh crore stimulus announced by the Central Government and measures taken by State government for revival of the economy with anticipated peak season demand for credit in the 2nd half of the year, it is expected that banks will be able to show a decent position after Sept,2020 quarter. Bigger Banks like SBI, PNB, BOB, HDFC Bank, etc should lead from the front with increased deployment of credit.

Advance – Deposit trends in the Districts below 40 % CD Ratio:

Along with current economic slowdown the limited credit expansion due to continuation of PCA restriction by RBI on some of the bankers as well as high institutional deposit, unutilized amount in SHG accounts are said to be the contributing factors in these 3 districts along with recessionary trends observed in last couple of quarters.

SLBC desk is regularly following up with the LDMs of the districts to overcome the obstacles to increase the CD ratio beyond 40%. Special meetings were organized by 24 Parganas (North) LDM and Hooghly LDM with the stakeholders (District Magistrate, RBI) and the member banks and decided to focus on MSME Clusters, SHG credit linkages as well as accelerating the growth in Agriculture for improving the CD Ratio.

The Sub-Committees of DCC on CD Ratio are to function actively and draw implementable action plan for improving the CD ratio. SLBC suggested proactive exposure in potential MSME clusters with targeting of big ticket loans particularly for technology up-gradation and similarly in Agri Processing Units.

Trend analysis on District wise CD ratio on quarterly basis is as follows:

While the negative trend in 8 Districts (Jhargram, Malda, Murshidabad, Purba Medinipur, 24 Pgs. (S), Howrah, Kolkata, Purulia) in March, 2020 quarter is in improvement over 13 Districts with negative growth for June, 19 quarter. Except for Kolkata district which was impacted due to slowdown in big ticket corporate loans, the negative growth in the other 7 districts is nominal and is expected to be reversed shortly. These districts must initiate remedial measures urgently to arrest the down trend with proper implementation of action plan.

AGENDA-5

(A) Progress in Agriculture Credit:

The disbursement in Agriculture sector in last 5 financial years are as follows,

Financial Year	Yearly Target (Cr.)	Achievement (Cr.)	% of Achievement
31.03.2016	43536	30930	71
31.03.2017	52551	34175	65
31.03.2018	59098	42232	71
31.03.2019	64071	45586	71
31.03.2020	55000	49066	89

The Agriculture disbursement during the period April to March of financial year 2019-2020 is Rs. 49066 crore, showing an increase of 7.63% over disbursement of Rs.45586 crore made during the last financial year 2018-2019. However, the attainment of 89% in deployment of credit during the financial year, is an encouraging sign and it is expected that the banks will be in a position to grow in a better way in credit delivery to agriculture sector which has gained primacy in the aftermath of the COVID 19 lockdown issues. The yearly target of Rs.77236/- which was set during 148th SLBC meeting and in line with NABARD PLP should therefore be pursued in right earnest by the banks.

With Rs.37901 crore deployments in Farm Credit at 77.25% of the total agriculture deployment and 96% of farmers in SF/MF category, it is obvious that the banks would have to look beyond traditional Agri loans and focus on Agri Infrastructure and Agri Ancillary Sectors. SLBC has been sensitizing the member banks to focus on other areas like pledge finance through Negotiable Warehouse Receipts, FPO/FPC finance. Custom Hiring Centre is also one area needing attention of the banks.

Large scale acquisition of the uncovered farmers for KCC loans for crop loans as well as KCC under Animal Husbandry (Dairy, Poultry, Pig & Goat rearing) and Fishery activities must be taken up on urgent basis along with Farm Mechanization schemes. The improvement is also observed in the said sub-sectors (including both KCC & Non-KCC loans) up to the March, 2020.

(B) Progress in KCC Saturation, and BSBS Coverage

KCC: It is a major agenda of SLBC to cover all the eligible farmers of the State under KCC. In the special meeting dt 07-01-2020 it was decided to cover the left-out farmers on the basis of identification of non-loanee farmers from the Bangla Shasya Bima Scheme data base.

The Agriculture Department submitted the data of non loanee farmers to SLBC on 27-05-2020 and 01-06-2020. SLBC has since forwarded the list of non-loanee farmers to the respective member banks/LDMs on 02-06-2020 along with the bank and district wise targets for coverage of the 20 lakh non-loanee farmers under Kharif 20 season as fixed during the Special SLBC meeting held on 04-05-2020.

The banks will proceed for saturation of the KCC loanees as per SOP prescribed by the authorities and would also target the landless labourers, namely, tenant farmers, share croppers, oral lessees, etc. The basis for covering the landless labourers will be Area Sown Certificate to be issued by Asst Directors of agriculture or his authorized representative.

During the financial year 2019-2020 the achievement of target is 68% at 23.74 lakh against 35.00 lakh allocated under the Annual Credit Plan. The loanee base has also increased from 31.36 lakh loans as on March, 2019 to 37.55 lakh loans as on 31.03.2020 indicating addition of new enrolment of around 5.24 lakh new farmers and 0.72 lakh written off accounts during the year. The banks are to sustain the momentum for achieving the saturation as targeted by SLBC & GoWB.

Achievement under KCC in West Bengal in last 5 financial years are as follows,

Bangla Shasya Bima Scheme: For mitigating the hardship of farmers in case of crop damage due to natural calamity, GoWB launched the Bangla Shasya Bima (BSB) Scheme, a 100% State Govt funded scheme with the objective of ensuring hassle free crop insurance facility to the farmers along with timely claim settlement process through a transparent & simplified procedure. A token amount of Rs.1/=(Rupees One only) is to be charged from the registered bank account of the farmers to facilitate electronic updation & authentication of farmers' bank account details and rule out delay in claim settlement issues, if any.

Notification for Rabi-2019 crop coverage under BSBS was issued on 29-11-2019 and shared accordingly with the member banks by SLBC.

As on	Loanee farmers	Non-Loanee farmers
31.12.2019	8.86 lakh	29.33 lakh
31.03.2020	11.68 lakh	32.70 lakh

The data showed a marked improvement over the enrolment made under PMFBY where for the Rabi, 2018 season a total no. of 13.38 lakh farmers & for the Rabi, 2017 season a total no. of 11.88 lakh were covered for crop insurance.

The same was shared with the member banks in the districts by the LDMs and also by SLBC with the State nodal officers of the member banks vide letter dated 03-06-2020 along with the RBI Master Direction circular. (C) Doubling of Farmers' Income by 2022 & new initiatives:

The State of West Bengal is endowed with rich natural agricultural resources and has diverse agro-climatic conditions which offer unique opportunities for cultivation of various crops, livestock rearing, pisciculture, horticulture with Immense potential for increasing agricultural production in the state, which may also favourably impact food security at national level. The vision of 'Doubling Farmers' income by 2022' is thus possible and can be achieved in the State by ensuring farmers' access to skills, technologies, markets and financial services through strategic planning and co-ordination of all concerned in the State.

The following action points are earmarked for achieving the stated objective.

- Out of total 52 lakh (approx) farmers having own cultivable land in the State 37 lakh (approx) farmers has already been covered under KCC as revisited by SLBC w.r.t. the position post data cleaning by the Banks, particularly WBSCBL and the remaining uncovered 15 lakh farmers are to be brought under institutional credit system in a mission mode. KCC Saturation Campaign is the right direction. Similarly the base of landless farmers comprising the tenant farmers, share croppers, oral lesses, etc are also to be brought under the ambit of KCC. As already decided, a target of 20 lakh new farmers enrolment has been envisaged under Kharif 20 season.
- Proper entrepreneurship skill among the rural youths is to be developed emphasizing cultivation of high value commodities such as fruits, vegetables, flowers, fisheries, sericulture, animal husbandry, poultry etc. Institutions like RSETIs are expected to be the catalyst in this respect.
- Qualified and trained youths are to be encouraged to set up Agri-Clinics and Custom Hiring centres. More thrust is to be given on Investment credit like farm mechanization, dairy farming, Poultry, fishery, etc for improving farmers' non-farm income in potential areas targeting the medium and large farmers.
- Approximately 6.0 lakh KCC loans are still reportedly under dormant/written off status. The process of renewal of dormant KCCs with need based finance may be looked after by the Bank with support from the different Govt. machineries which will also contribute to increase in agricultural income through revival of production credit.

Krishak Bandhu: Hon'ble Chief Minister, Govt. of West Bengal has announced the launching of Krishak Bandhu- a flagship scheme for the benefit of farmers. The scheme is effective from 1st January 2019. The scheme is expected to cover 72 lakh with farmland in the State, out of which 52 lakh people are directly associated with agricultural activities.

Investment support of Rs.5000 per year per acre will be provided by the State Government to the farmers in two equal instalments of Rs.2500 right at the onset of two crop seasons i.e. Kharif and Rabi. All the farmers in the age group (18-60 years) irrespective of their family income will be eligible under the scheme.

Details of said farmers including land holding will be captured in a chip based Smart Card along with Krishak Bandhu ID. It will assist the Banks in proper identification of farmers intending to avail KCC or any Agriculture loan in the state of West Bengal.

New Agricultural Marketing Infrastructure Scheme: The new scheme effective from 22-10-2018 is valid upto 31-03-2020. The Scheme focuses on finance for construction of Rural Godowns and developing the Grameen Hats with active participation of the FPOs. The scheme with both forward and backward linkage opportunities has provision for back-ended capital subsidy for the beneficiaries. Bankers must act on the same as the Scheme is stated to be valid upto 31-03-2020.

Finance against Negotiable Warehouse Receipts: SLBC has also been advocating for extension of credit by way of pledge finance against crops through Negotiable Warehouse Receipts. However, no banks have reportedly financed against NWRs as yet in the State. In the Steering Committee meeting dated 03-09-2019, the matter was discussed at length. It is desired that an ecosystem conducive for NWR finance may be created with suitable marketing initiative by the stakeholders for bringing Collateral Managers into the State.

Farmer Produce Organizations: Both NABARD and SLBC suggested adoption & extension of credit to FPOs for increasing the Agri portfolio. SLBC has since received the list of 66 FPOs under Agri Marketing Department and shared the same shared with the banks. 12 FPOs have so far been adopted by SBI, 2 by UBI and 1 by BOB.

NABARD may also share the list of FPOs adopted by them for enabling the banks to explore the possibility of extending credit to the FPOs.

With a view to encouraging enabling environment for aggregation of farmers into FPOs and take advantage of economies of scale, the Govt. announced 100% tax deduction for FPOs with annual turnover of up to Rs. 100 crores. Govt also initiated measures to support Farmer Producer Companies (FPCs) viz., support to the equity base of FPCs by providing matching equity grants and Credit Guarantee support for facilitating collateral free lending to FPCs.

AGENDA-6

(A) Deployment of Credit in MSME

Considering the potential in the State in manufacturing and trading activities etc. the target for MSME sector was increased from Rs. 50000/- crore to Rs.70000/- crore for 2019-20 as advised by Hon'ble Finance Minister and was accepted by the SLBC & Bankers.

The member Banks in the State disbursed altogether Rs. 69408/- crore under MSME as against the said target of Rs. 70000/- crore with achievement of 99 % of the total target of the financial year 2019-20. The YOY growth at 22.93% amidst the economic slump is indeed satisfactory and bodes well for the bank to meet the challenges arising out of COVID 19 pandemic issues in FY 2020-21.

Sustained effort by MSME & Textiles Department coupled with concerted action on the part of the banks contributed to this performance. It is also evident that the economy has been able to cope up with the challenges posed by Demonetization & GST despite the current slump in economy and able to show a decent performance despite current slowdown shown in other parts of the country.

Achievement of MSME for the last 5 financial years is annexed herewith:

Plan Year	Target (Cr)	Achievement (Cr)	% of Achievement
31.03.2016	21762	22887	105
31.03.2017	26000	29186	112
31.03.2018	38000	44059	116
31.03.2019	50000	56458	112
31.03.2020	70000	69408	99

SLBC anticipates pick-up in the MUDRA portfolio after implementation of the Interest Subvention Scheme of GoWB for Handloom Weavers which will open the avenue for tapping more than 3 lakh active weavers in the State. Similarly adoption of 152 more MSME Clusters as identified by MSME Deptt, WBKVIB & Handloom Department will also contribute to accelerated growth in the MSME sector as a whole.

Export Credit

MSME sector being the mainstay of Exports from the State, it is inevitable that there will be corresponding increase in exports turnover which is expected to reach 70000-75000crore as targeted by GoWB. The current trend shows a marked improvement in this important segment and it is evident that the yearly target of Rs. crore as set for FY 2020-21 should be an attainable one for the banks.

2018-2019			2019-2020		
Target	Achievement	%	Target	Achievement	%

New development in MSME sector

RBI Guidelines on restructuring of advances to MSMEs: RBI has permitted a one-time restructuring of existing loans in stressed MSMEs upto Rs.25.00 crore on 01-01-2019. This will enable the entrepreneurs to tide over the cash flow problem and manage their business without any issues faced by them post Demonetization and implementation of GST. The total exposure, to the borrower should not exceed Rs.25 crore as on 01-01-2019.

The borrowing entity should be GST-registered on the date of implementation of the restructuring. However, this will not apply to MSMEs exempted from GST-registration.

The progress during the financial year 2019-2020 is as follows.

As on	No.	Amount (in Cr.)
31.03.2019	2389	98.46
31.03.2020	70623	4194.10

The restructuring process is to be implemented on or before the original expiry date 31-03-2020 which is fast approaching and bankers should extend adequate support to the entrepreneurs beset with current economic slowdown.

Emergency Line of Credit Guarantee Scheme:

- After the outbreak of COVID and the subsequent lockdown , the banks extended emergency line of credit amounting to 10% of fund based limit besides allowing reduction of Margin for assessment of Drawing Power along with restructuring in eligible cases. Repayment of the instalments has also been deferred by way of moratorium for 6 months to provide relief tp the entrepreneurs in MSME where cash flow has virtually stopped due to lockdown.

- Meanwhile Govt of India under Atmanirbhar Bharat Abhiyan has announced the Emergency Credit Line Guarantee Scheme (ECLGS) for MSME and small business borrower who are facing stress due to the pandemic. The Rs.300000 crore scheme aims to provide relief to the entrepreneurs by way of additional working capital term loan of upto 20% of thier outstanding fund based limit as on 29-02-2020 and will be collateral free. Detailed guidelines have been issued recently and the banks have started from June, 2020 for disposal of proposals under ECLGS which are guaranteed upto 100% by NCGTC.

Proposals generated in the camps will be sponsored by District Handloom Officers to the designated bank branches. A common application form in line with MUDRA Weavers Loan scheme has been devised and will be used for sponsoring to the branches along with requisite papers.

SLBC expects that this will give an impetus to the MUDRA loan portfolio. The Scheme is expected to be rolled out in the March, 2020 quarter with development of the Portal by the authorities which will take care of the lodgment of claim by Nodal officers of the participating banks and onward remittance to the beneficiaries after receipt of the same from the authorities.

(B) Adoption of MSME Clusters & Credit Linkage:

In the 146th SLBC meeting on 17-09-2019, Hon'ble Finance Minister suggested adoption of at least 100 clusters for extensive credit linkage in view of the potential for manufacturing & servicing units in the State with enormous scope for job creation.

In the special SLBC meeting dated 27-09-2019, 152 Clusters have been adopted by SLBC for focused credit delivery by the cluster based banks. Out of the lot, 82 clusters are identified by MSME Department, 50 by Handloom Department & 20 by W Bengal Khadi& Village Industries Board. Uncovered entrepreneurs will be targeted for credit linkage through Awareness /Credit camps will be conducted by LDMs/Banks & Line Departments. The District wise status of the 152 clusters is given in the Annexure.

It has since been decided by the SLBC Sub Committee on MSME during the meeting on 27-10-2019 that cluster level orientation-cum-sensitization camps would be conducted by Banks & Line Departments with co-ordination by LDMs/GMs of DICs for assessing the credit need of entrepreneurs and sponsoring of viable proposals to the cluster based bank branches. The process of holding camps has already commenced. The status position is furnished below.

It is noted that in the current FY 19-20 there is an increase of 248155 number of Mudra beneficiaries with increase in disbursed amount by Rs. 382.13crore in comparison to the last FY 2018-19. The nominal increase in MUDRA loans is observed to be due to current economic slowdown with manufacturing sector registering the lowest output growth in last six (6) years. The NBFC woes also contributed to this recent downtrend.

- **STAND-UP INDIA (SUI)**

SUI Scheme facilitates bank loans between Rs.10 lakh and Rs.100 lakh to Scheduled Caste (SC) or Scheduled Tribe (ST) and woman beneficiary. Target of 2 loans per bank branch has been given for setting up Greenfield Enterprise.

SUI Loans have been extended to 7609 such SCs/STs/Women beneficiaries since inception with outstanding amount of Rs.1101.91crore as on 31.03.2020.

Summarized progress report under Stand up India scheme for West Bengal as on 31.03.2020 is given hereunder along with comparative figure for last 3 financial years. The addition of 1590 beneficiaries in the current fiscal against a base of 6019 loanees (as on 31.03.2019) is a positive development and the banks should carry forward the momentum.

Cumulative position

As on	Loan given to		Total no of beneficiary	Loan Outstanding under the scheme (Rs.in crore)		Total Otsg. (Rs.in crore)
	No. of SC/ST	No. of Women		Loan to SC/ST	Loan to Women

31.03.20	2966	4643	7609	388.60	713.32	1101.91

With MSME being the thrust area of credit, it is only logical that the banks would play a pivotal role in extension of need based credit to the target group. However new sanction loans is impacted due to limited scope for locating target group with mandatory condition of Greenfield projects. Limited business opportunities in rural area for credit absorption above Rs.10.00 lacs are also proving to a deterrent.

However, as per norms the banks are to focus on scouting proposals for SUI loans with proper counselling and hand holding support to the budding entrepreneurs and strive for attaining the target of 2 SUI loans per branch.

- **PMEGP loans**

Exemption of EDP Training to disburse the loan under PMEGP: As a special dispensation for accelerating the pace of deployment of credit, Ministry of MSME vide Circular No. PMEGP/Policy/2019-20 dated 23.01.2020 has exempted the stipulation regarding EDP training criteria to disburse loan under PMEGP till 31-03-2020. The said exemption will facilitate the financial bank to commence disbursement of loan and claim/upload Margin Money subsidy on the PMEGP online portal without waiting for completion of EDP training and to achieve the enhanced targets for the year 2019-20. However Department will ensure completion of the EDP training for these cases by 30.06.2020. The option of online EDP as already introduced by the KVIC may be continued to be encouraged and adequate publicity / awareness may be created.

Position of PMEGP for the last 4 financial years are given hereunder: (Amt in Crore)

31.03.20	15124	516.39	2280	91.00	2135	83.48

Non-disposal of the proposals has resulted in piling up of pending proposals and has become a source of concern for the stakeholders. Banks have not responded positively to the 100 Days Campaign during the first half of the fiscal as well. Banks will have to ensure that all pending proposals are disposed in time with completion of the EDP training and lodging of claim for Margin Money. A proactive approach will improve the MSME portfolio as well. It is also one of the deliverables by Banks under the ongoing Strengthening of Ecosystem for MSME.

It is also being observed that despite provisions for 2nd dose of finance to successful entrepreneurs who have availed of PMEGP loans, bankers are yet to extend credit to this target group in worthwhile manner. Attention of the bankers is drawn to the circular no PMEGP/Policy/2018-19 dated 07.06.2018 for extending need based credit (upto Rs.100.00 lakh for manufacturing unit & Rs.25.00 lakh for servicing units).

SVSKP loans

The first meeting of SVSKP sub-committee was held on 22.01.2020. The major action points as circulated under Ref. No. 107-SH/2020 dated 28.01.2020 are as follows.

- Non-viable proposals must be returned immediately to the Deptt with valid reasons.

SLBC Sub Committee in its last meeting dated 28.02.2020 and also later on 04-06-2020 also advised the field level functionaries from both banks and SRLM would sensitize the SHG members for utilization of the fund to the maximum extent and encourage them for capacity building so that they may aspire to become large enterprises.

Banks were also advised not to insist on the requirement of re-sponsoring of proposals by submitting the entire sets of documents by SRLM. Banks are to ensure completion of the grading exercise with due diligence in co-ordination with SRLM and execute fresh set of documents only for enhanced limits.2 camps will also be conducted By WBSRLM. The proposals sent to merge PSU banks in FY 2019-20 but not disposed of during the year should be disposed of by the amalgamated bank after 01-04-2020 without returning to WBSRLM.

Sanction Limit for SHGs under NRLMs

SLBC adopted a resolution for the limits of Rs.1.50 lakh & thereafter at Rs.2.50 lakh & Rs.3.50 lakh on graded scale as per Ref: LBD/SLBC (WB)/DAY-NRLM/1488/2017 dated 01-11-2017 after due consideration of the main criterion involving the Corpus Amount by the stakeholders Despite repeated rejoinders & discussions at SLBC Sub Committee meetings, it was informed that some of the banks are yet to follow the said resolution adopted by SLBC.

SLBC reiterates that the latest RBI Master Direction FIDD.GSSD.CO.BC.No.02/09.01.01/2019-20 dated 01-07-2019 also stipulates that "Drawing Power for the 1st year will be 6 times of the existing corpus or minimum of Rs.1 lakh whichever is higher". With the inclusion of the RF of Rs.10000/- along with the additional grant of Rs.5000/- for all SHGs under Jagoo scheme of GoWB to the mentioned qualifying deposits/interests it is obvious that the Corpus will be in excess of Rs.25000/, required for sanction of loan of Rs.1.50 lakh. With West Bengal at the forefront of the SHG movement with a very low level of NPA below 2%, the House advises all the banks to follow the directive of the SLBC which is in line with the RBI direction.

Dual Authentication status

Dual Authentication mode envisages transactions at BC point for enabling the SHGs to conduct their banking transactions locally in a convenient manner. CBS system is required to be configured for capturing all relevant KYC data and integration of all transactional data in both linked SB and Loan accounts.

The way forward is creation of customer Ids for the authorized SHG office bearers for mapping with the BC channel accordingly. This requires adjustment of the application used by the BCs. Biometric Authentication will also rule out the element of mistakes besides providing doorstep banking facility to the group.

E- Shakti portal of NABARD

E-Shakti project was launched by NABARD as pilot project in Paschim Midnapore district in 2016 and has been found to be useful in assessing the SHG credit proposals with online grading exercise in a better way by the Banks. Banks can rely on system based MIS reports & transactions on real time basis and accord sanction through portal.

It is now being extended to 10 other districts namely Bankura, Burdwan, Purba Medinipur, Dakshin Dinajpur, Uttar Dinajpur, Malda, Coochbehar, Nadia, Murshidabad & Birbhum and the member banks are arrange for an effective IT based platform at the branches for optimum utilization of the portal which will strengthen the SHG eco system with speedy credit delivery. The online portal has since become functional in these districts from 1st march, 2020 and bankers are requested to access the portal for deriving the maximum benefit from this user friendly interface.

Progress in NULM:

Physical target of credit linkage under National Urban Livelihood Mission for the State was 22390 beneficiaries (both Individual, Groups & SHGs) for the FY 2019-20.

At the end of March, 2020, 2450 SEP-Individual proposals are sponsored to banks, out of which only 785 cases have so far been sanctioned & 736 cases have been disbursed. Only 11 proposals under SEP- Groups are sponsored to the banks and all the 11 proposals are sanctioned & disbursed while 11506 proposals have been sponsored under SHG Credit Linkage, out of which 7584 cases have been sanctioned & 7597 cases have been disbursed by Member banks including spill over cases from previous year.

In the Sub Committee meeting dated 28.02.2020 it was informed by SUDA that about 1/3rd of the beneficiaries are yet to receive the benefit of interest subvention available under the Scheme. It is reported that in 4700 accounts under NULM, the interest subsidy is yet to be claimed. Banks are to complete the process and ensure lodgement of pending claim in the designated portal immediately.

Also the common loan application form (as per IBA approved format) has been used by the Deptt from September, 19 onwards and the same is to be accepted by the banks as already communicated by SLBC.

LDMs are also to issue invitation letters to the ULBs for participation in DCC meetings. The Department would also undertake joint campaigns/camps for disposal of proposals in pockets with long pendency.

Outstanding Position: (Amount Rs in crore)

31.03.2016	31.03.2017	31.03.2018	31.03.2019	31.03.2020
2017.98	2281.92	2396.00	2527.60	2525.20

The achievement vis-à-vis annual target is as follows:

Target	Achievement	% of Achievement
4262	687	17%

With disbursement of Rs. 687 crore against annual target of Rs. 4262 for FY 2019-20, the achievement is 17% which is very low. Banks are to scout for quality education loan proposals aggressively in the next FY 2020-21.

Housing Loan

The outstanding balance at the end March 2016, 2017, 2018, 2019 and 2020 and the quarter wise break up of disbursement during the last 2 financial year are appended below. All Banks have collectively disbursed Rs. 14495.29 crore in 163058 no of accounts during the period April, 2019 to March, 2020.

Outstanding Position: (Amount Rs in crore)

31.03.2016	31.03.2017	31.03.2018	31.03.2019	31.03.2020
25485.36	30960.30	40804.00	44194.24	51079.89

Comparison of quarterly disbursement position during the last 2 FY.

For FY 2018-19	No.	Amount	For FY 2019-20	No.	Amount
Mar, 2019	120019	11290.62	Mar, 2020	163058	14495.29

It is observed that the momentum has picked up after the sector witnessed a slump in previous 2 quarters due to corresponding downturn in overall economy. The benefit under PMAY and the pickup of demand in Housing sector after streamlining through RERA Act are expected to galvanize this segment. Demand for big ticket housing loans is also expected to be generated which is essential for growth in volumes.

The achievement vis-à-vis annual target is as follows:

Target	Achievement	% of Achievement
12754	14495	113%

With disbursement of Rs. 14495 crore against annual target of Rs. 12754 crore for FY 19-20, the achievement is 113% which is very satisfactory. Banks should sustain the progress in the next FY.

The deployment of Rs. 14495.29 crore in Housing loans amounts to 5.31% of overall credit deployment and points to the importance of this very potential segment of advances for the banks. It is imperative that all banks should explore tie-up arrangement with reputed dealers /developers in tier I & II towns in addition to Kolkata.

AGENDA-9

- The portal has become functional .The member banks are to submit the data online for the business position pertaining to March, 2020 onwards.

It is to be noted that while SLBC is proceeding with parallel run for March,20 quarter reporting, from June,20 quarter onwards only online reporting will be applicable. The banks must ensure compliance for the same as per RBI directive on this regard.

NPA Position for last 4 years of West Bengal is furnished here under: (Rs. in crore)

Year	Gross Advance	Gross NPA	% to Gross NPA
March, 2016	356011.00	43904.14	12.33
March, 2017	367642.87	55049.25	14.97
March, 2018	415115.06	64105.19	15.44

NPA reduction being the thrust area for banks further reduction in NPA level is expected in the coming days.

Miscellaneous:

Market Intelligence Issues:

In the Steering Committee meeting dt 03-09-2019 it was decided that banks would report regarding incidence of Ponzi schemes, illegal financial activities by individual/firms , if any, to SLBC for onward reporting to authorities. Controlling Offices may advise the branch-heads accordingly. SLBC reiterates the following areas,

- Ponzi schemes / Illegal activities of Un-incorporated bodies / Firms / Companies soliciting deposits from the public.
- Banking related cyber frauds, phishing & Credit related frauds by borrower groups as well as 3rd party intermediaries.
- Instances of usurious activities by lending entities in the area, over - indebtedness, unorganised financial sector activities.

Also, threats of cyber frauds, phishing, etc should be highlighted during financial literacy drives conducted by banks. It has assumed great significance as in view of COVID 19 pandemic and the Lockdown, the digital banking has proved to be an effective mode of financial & business transactions but also has exposed unsuspected customers to the threats of hacking, phishing, etc thus causing loss to the customers as well as the financial institutions.
