The cultivable land falling in Municipal Corporation/Municipality/Urban areas where notified crops are cultivated will be tagged with the adjacent Gram Panchayat /Block as the case may be for crop insurance purpose. The insurance scheme will be based on technology and shall leverage on a combination of satellite data, weather data and field level data generated through ground-truthing for ensuring objective assessment of crop loss and fast settlement of crop insurance claims.

The scheme will be implemented following the Revised Operational Guidelines for implementation of Technology Based BSB Scheme 2020 as amended /will be amended from time to time along with other clauses stated in the Operational Guidelines of BSB Scheme issued vide Notification No. 302-AG/O/Crop Ins/7C-06/2018 dated 15/02/2019.

2. Crops and Insurance Unit:

The Scheme shall be implemented on an '**Area Approach basis**' for each notified crop with the assumption that all the insured farmers, in an IU face similar risk exposures, incur identical cost of production per hectare, earn comparable farm income per hectare, and experience similar extent of crop loss due to any insured peril in the notified area.

3. Indemnity level:

The indemnity level for Potato will be 70% and for all other notified crops it will be 90% during Rabi 2021-22.

4. Coverage of Risks:

- i. **Prevented Sowing / Failed Sowing:** Only Boro Paddy and Potato will be covered under this risk.
- ii. **Mid-Season Adversity:** Only Boro Paddy and Potato will be covered under this risk.

5. Coverage of farmers:

5.1 All farmers including sharecroppers and tenant farmers growing the notified crops in the notified areas during Rabi 2021-22 season and having insurable interest are eligible for coverage. There will be no categorization of farmers as loanee or non-loanee farmers. Thus **there will be no compulsory component**. The insurance coverage will be purely voluntary and available to all farmers who may like to insure their crops under technology based BSB scheme.

5.2 The enrolment of farmers will be on individual basis and carried out by the AICIL through their representatives. The enrolment can be done either by using BSB Mobile App developed by the State Govt. or by using printed application forms which should be filled up and uploaded on BSB Portal. However, the consent of the farmer for his/her enrollment under the scheme must be

J.A.

obtained compulsorily. Acknowledgement receipt must be issued to all farmers enrolled under the scheme.

5.3 All farmers covered under the scheme will be issued a “**Certificate of Insurance**” by the AICIL and the same will be auto-generated from the BSB portal and downloadable by the farmers from any place and shall be reckoned as a proof of crop insurance. The farmers may produce it to the Banks/ PACS, if required, for the purpose of sanction of crop loan.

5.4 The farmers will have to produce documentary evidence regarding their insurable interest for insurance in cultivated land (e.g. ownership/ tenancy/ cultivation rights) and crop proposed for insurance. The applicant farmers will have to furnish the following documents/ details:

- i) Name of notified Block/GP, Village and Mouza & JL No., Plot No. and crop wise cultivated **area (in acre)**.

This document will be used only for crop insurance purpose during Rabi 2021-22 and not for any other purpose.
- vi) **Area Sown Certificate** (actually sown or for intended sowing) **will be issued by the Assistant Director of Agriculture (ADA)** of the concerned Block or his authorised representative or Revenue Officer/ Revenue Inspector of L&LR Department against each and every application in prescribed format and same should be uploaded in the BSB Portal by the IA while uploading the individual applications of the farmers.

5.5 The IA will reserve the right to repudiate any insurance proposal to avoid duplication of insurance against same piece of land for the same crop.

6. **Banks /PACS** may not need to cover the farmers availing crop loan during Rabi 2021-22 season as there will not be any categorization of farmers as loanee or non-loanee and enrolment of farmers are to be done by the Implementing Agency(IA) as mentioned in para 5 above. However, Banks/PACS can view the status of insurance coverage of the farmers in the BSB portal. For farmers availing crop loan but not covered under BSB scheme, the concerned Bank/PACS may prepare a list as per format in **Annexure -XVIII** and forward the same to the AICIL (through email in registered email id of AICIL) within the cut-off date for insurance coverage.
